JA Volunteer: **FINAL STEPS CHECKLIST**

Your final classroom visit is special. You are welcome to bring rewards to go along with the JA Program Completion Certificates for each student. You can also print custom certificates if you choose using templates available at www.JABrand.org

Final steps to complete your commitment as a JA Classroom Volunteer

- Presented JA Program Completion Certificates to students
- Encouraged the teacher to utilize extended learning opportunities in the Volunteer & Teacher guide. Digital supplements and online games for all grades are available on the JA of Coastal SC website, www.JACoastalSC.org
- Turned in Pre & Post Tests and any unused program materials to school's JA Coordinator or JA Program Manager for recycling - pre/post tests can be placed in the outside pocket of the JA kit.
- Took a moment to reflect upon the highlights of my JA teaching experience and to remember the importance of the messages I left with my students.

We'd love to hear about your most memorable teaching moments so that we can spread the word about the impact of JA, and the volunteers who bring its lessons to life.

- Submitted JA Class Completion Report Online:
